SUMMARY

Motivated Computer Science student with strong foundations in C, Python, SQL, and data structures. Experienced in problem-solving and building academic projects. Skilled in quick learning, teamwork, and analytical thinking. Seeking opportunities to apply technical skills in real-world software development.

EDUCATION

GRADE 10TH

Little Angels School	Central board of secondary education	2020-21	91.8%

INTERMEDIATE

Ascent Junior College	Board of Intermediate Education AP	2021-23	93.5%

BACHELOR OF TECHNOLOGY

Raghu Engineering college	Computer Science and engineering	2023-Ongoing	9.21 CGPA

SKILLS

Languages: C, Python, SQL, R

Core: Data Structures & Algorithms, OOP, DBMS

Tools/Technologies: AWS (Basics), Python libraries

Other: Graphic Designing (Canva)

CERTIFICATIONS

- NPTEL Certification: Problem Solving through Programming in C – Scored 63% - 2024
- Python Programming Course by SkillRack – 2024
- AWS Academy Graduate - Cloud Foundations - Training Badge – 2025
- NPTEL Certification: Data Base Management System – Scored 64% - 2025

EXTRA-CURRICULAR ACTIVITIES

- Creative Design Lead in GeeksForGeeks Campus Body REC – (2024 - Present)
- Freelance Editor
